A lot can happen

A lot can happen in a year
A month a week a day
A lot can happen between words
You needn't listen too carefully to all i say
A lot can happen in a lifetime
Even if that time seems all too brief
A lot can happen when a heart is open
To love, to joy and to grief
A lot can happen in a moment
That seems to last a thousand years
One breath, one smile
Through what feels like endless tears
And A lot can happen in a song
That comes from a broken heart
So listen, just listen
A lot can happen when you simply start
