

926-1000
Are you gonna go

Are you gonna go gonna go
To the show
Are you gonna go gonna go
I wanna know
Will you smile wide smile wide
When we meet
Will you even remember
Those times that were so sweet
Stoning and dancing
Singing til the sun came up
Wondering out loud
Our good fortune at having such a full cup
So
Are you gonna go gonna go
To the show
I hope so
I hope so
