Being the only

Being then only
Now that's quite lonely
But some of us crave
To ride that wave
All alone

Being the only
Isn' that lonely
When we can share
A love so fair
Even when we're
All alone

Being the only
Isn't so weird
Should not be feared
For even though
We're all alone
So is everyone
Alone
And not

We're all in this together
As Bob said One love
Being The only
