

536-1000
benign distractions

Chocolate and coffee
Soccer on the tellie
Pizza for dinner
Not good for my belly
Don't wanna cook
Another trip to the deli

No problem
No worries
No fears
And no hurries
Just benign distractions
Harmless
Painless
No one could disdain us
Just benign distractions

Sunsets and thunder
Netflix for a day
House of cards
Season five with play
Napping and snoring
Nothing bad to say

That's all
No more
Another song
Another score
Another
benign distraction
