Blue

Today i saw a sky  
Every shade of blue  
icy chill yet so alive  
It made me think of you

Today i saw a sun  
Flicker 'gainst the dawn  
Made me wonder how things  
Could go so very wrong

Today i heard a song  
A banjo plucking bright  
I close my eyes and there's your smile  
Ushering in the light

Today i saw all these things  
Through prisms made of tears  
Reminding me to harden not  
Succumb not to my fears

For today i saw a sky  
A thousand shades of blue  
Reminded me that you're still here  
As every day dawns new
