

471-1000
Burn hot

Burn hot
Hot as the sun
Do not pine
To get things done
Live today
Worry not
Drink it up
Burn hot

Burn hot
You've only now
Do not fret
You must find how
Live free
Feel a lot
Drink it in
Burn hot

Burn hot
Feel the air
Gentle soft
Upon your hair
Live now
It's all we've got
Love hard
Burn hot
