Caddyshack

Day got you down  
Caddyshack  
Wearing a frown  
Caddyshack  
Tired of the grind  
Caddyshack  
Gonna lose your mind  
Caddyshack  
Child has the flu  
Caddyshack  
Feel like no one loves you  
Caddyshack  
Feeling out of luck  
Caddyshack  
Don't really give a fuck  
Caddyshack

It's always there  
It's always around  
Just turn on the tv  
You don't even need sound

Danny!!!  
Caddyshack  
Be the ball
