

518-1000
Cascading

When i see you
I go, i fall, i tumble
Cascading

When i look into your eyes
I go, i fall, i stumble
Cascading

When i see your name
I go, to call, i cry
Cascading
Cascading
That feeling
I am reeling
Is this how it will be
Forever
Everytime
I see you
Cascading
Hear you
Cascading
cascading
