Close to happiness

Close to happiness  
But not quite there  
Laid back yes  
But not w/out a care  
Smiles easy  
Hides a tear  
Confidence hiding  
Underlying fear

Close to happiness  
Hard to touch  
Loving little  
Loving much  
Lonely man  
With a full heart  
Trying just  
To play his part

Close to happiness  
Sorrow knocks  
death arriving  
lives it rocks  
Loving more  
The e'er before  
Close to happiness  
When we adore

Close to happiness  
And sad  
And full of gratitude  
A never mad
