Cringy moment

I can't believe i said that
I opened my mouth and out it came
My life is spiraling downward
I don't think it'll ever be the same
I'm reeling in embarrassment
I've never felt this much shame
That was a cringy moment

I saw her in the library
She glanced at me, a yummy look
I sauntered up and smiled
I saw that she had a big book
I asked if it was lolita
Oh shit did i feel like a schnook
That was a cringy moment

We were shooting baskets
I hit one and then another
I was quickly joined
By a gentleman of color
He hei a big three pointer
I said hey that;'s a nice shot brother
Oooo that's a cringy moment
