Deep water

Deep water  
Over my head  
They say the deep end  
Is where we are led  
By our hearts  
By our hearts  
Deep water  
I can swim  
All the beauty  
I'll let in  
To my heart  
To my heart  
Deep water  
Don't be scared  
No one's ever  
That prepared  
In their heart  
In their heart  
Deep water  
If i sink  
I'll smile wryly  
And with a wink  
Hold my heart  
Hold my heart  
open
