Do we have any choice

In the end
Do we really have any choice
To not stand up
To not be counted
To let someone else do the work for us
On behalf of us
I trust
You believe
We need to be heard
Even just one word
Or many
For many need our help
And so i ask
Do we have a choice
Well
Yes
And no
And before i go
Before i go
I want to be heard
And
If i want to be heard
If i demand to be heard
Then
Do i really have a choice
no
