Don't miss your chance

J geils said, love comes once
And you'd better not get lost
I don't think that's exactly true
But in life there's always a cost

A cost for hesitation
A cost for self doubt
A cost for thinking the grass is greener
You know what i'm talking about

Don't miss your chance
Don't be afraid to dance
Don't miss your chance

But maybe if you choose to fast
If desperation is your guide
You'll end up in a heap of trouble
Stories i'll confide

So don't miss your chance
To be wise
