Druthers

If i had my druthers  
I'd disappear  
I'd be the song  
You never hear  
I'd be the sabertooth  
Though Extinct  
Fierce and strong  
Such beauty linked  
To memories  
That don't exist  
To poetry  
That can't persist  
For all is silent  
My dear brothers  
I'm not even here  
I have my druthers
