Erase the records

Erase the records  
Scrub the drive  
Then that way  
We can contrive  
We can author  
Fictions galore  
And that's not all  
We can do more  
We can write  
A whole new script  
Based in bullshit  
Candy dipped  
Served on cones  
Like soft ice cream  
Fantasy  
Just like a dream  
Erase the records  
Burn the books  
Never mind  
That they're all crooks  
That's just how  
This game is played  
Don't be distraught  
Don't be dismayed  
Erase the records  
And you will see  
A brand new kind  
Of democracy
