

138-1000  
Every man

I am every man  
Well maybe not every man  
I say i do the best i can  
But often i don't have plan

I am just like you  
Well maybe not just like you  
some have plenty i have few  
Is there stuff i can accrue?

I am working hard  
Well maybe not all that hard  
Reputations often marred  
When we play the work hard card

This song is really great  
Well maybe not really great  
Too seussian for me to rate  
Man i'm tired, this song i hate
