Famous Tennis Players

Famous Tennis players
No there's a funny phrase
Famous for hitting a little ball
I'm so amazed
Famous for running around
On a silly little court
Wearing silly sweaters
And silly white shorts

Famous nascar drivers
You can't be serious
Famous for going vroom vroom
I can do that on a bus
Famous for their muscle cars
That run on high test gas
Isn't it exciting
That they go so goddamned fast

Famous bass fishermen
Casting out their hooks
Making all their millions
Just like some famous crooks
Last time i went fishing
The sunfish that i caught
Didn't make me a penny
In fact dinner i still bought

There are no famous custodians
No dishwashers enshrined
And yet they work their hearts out
To take care of their kind
Once again the world is skewed
Toward fortune and toward fame
Silly how these famous ones
Just play these silly games
