fight fight fight

Fight fight fight
It's certainly your right
No one will deny
Your right to foul cry
Your right to disagree
You don't have to be like me
Fight fight fight
It's certainly your right

Fight fight fight
Stand up for what think
Even when you're clueless
You know you needn't blink
When you get a feeling
Believe it to the end
Fight fight fight
No need to make amends

Fight fight fight
Ignore the scientist
Data is for morons
Refute and then resist
Believe in what you want
The truth is overrated
Fight fight fight
Reality's created

Fight fight fight
Protect your ego now
Kill 'em if you have to
To no one should you bow
Even if the truth
Is sacrificed en mass
Fight fight fight
Until the very last

fight!
