

381-1000
For a few moments

For a few moments
I felt young again
I felt loved again
And beautiful

For a few moments
I felt time stand still
I was vibrant still
And joyful

For a few moments
I saw the sun shine down
On my tired town
And in those moments

There was no rain
I couldn't sense pain
My belly soft
My heart soft

For a few moments

And then gone
