Fragile

I am strong
I am fragile
I'm not wrong
I am agile
I can dance
I can pray
I can hear
What you say
I am fragile
I am strong
I have known this
All along
Though this world
Has beaten out
Fragile thus
I have no doubt
I am fragile
But i'm not weak
See me crying
Hear me speak
I am fragile
But i am strong
The tears, my heart
T'where i belong
