Full on false  
All smiles and joy  
I have a bet i have to win  
I'm blocking out the angry din  
Anxiety is on high  
So i am going to try  
Full on false  
Pretend it's all great  
School is back  
I cannot wait  
Faculty meetings  
How much fun  
So much better  
Than the west coast sun  
Any my department  
What a crew  
I feel so giddy  
Don't you  
Our meetings are the best  
So much happier here  
Than out west  
Where it's too laid back  
And too crazy  
The sun is dimmer  
When it's hazy  
I'd rather live here in 10 below  
All the lovely  
Ice and snow  
Than go  
Back to LA  
No way  
How am i doing
