

567-1000  
Get used to it

It's 105 in the shade  
Not enough gatorade  
To keep me from burning up  
Not enough water  
To fill this empty cup  
Get used to it  
This is the new normal  
This is the winter formal  
Dancing in the mud  
instead of the snow  
No place to go  
But up up up  
Burn that coal  
Drive that car  
Belly on up to the bar  
And get used to it

It's cold and dark  
In this jail  
Not enough money  
To post bail  
All he did  
Was criticize  
But for the trump  
And In his eyes  
It's all fake news  
It's all lies  
But get used to it  
This is the new nation  
It's our own creation  
So hide your thoughts  
From public view  
Or he'll imprison you  
And get used to it

Get used to it  
Stop your whining  
Get used to it  
We're redefining  
What it means  
To be here  
So get used to it  
Am i clear?
