

881-1000

Great

I'm great

Not great like important great

Or powerful great

But grate

Grateful

Great like

I see the sun all day long

Even in the fog

Great like

Giddy

Silly

Bursting

I'm great

Not great as in a king

Or a star

But perfect

In my heart

Part of something

Greater than me

Great

And it's because of you
