Harry Dean

Harry Dean, Harry Dean  
Is that life always intense  
Will i find you in paris, texas  
Will you come outside to dance

Harry Dean, Harry Dean  
Were you always so damned gaunt  
Will our memories of you entertain  
Or maybe instead haunt

Harry dean harry dean  
Was emilio your friend  
Did he sit with you at 91  
Was he with you at the end

Harry dean harry dean  
When the aliens invade  
Do you think you'll be immune  
Will you be able to persuade
