Have i stayed too long

Have i stayed too long
Just let me know
I won't take any offense
If its time for me to go
In fact i'd rather
You simply kicked me out
Then i wouldn't wonder
Or have a hint of doubt

Have i stayed too long
Please just tell me now
I'm mesmerized by your spirit
To your energy i bow
But i know you may just
Being all polite
Telling me to disappear
Would certainly be right

Have i stayed too long
Am i and unwanted guest
It's hard to read between the lines
I'm frankly doing my best
Much of this is a guessing game
Should i go or should i stay
You could make it easier
But telling me to go away

Have i stayed too long
I'm trying to hold on
Sometimes i feel that when i leave
Forever you'll be gone
I want you to want me so
To tell me not to depart
To lie next to me forever
To gently hold my heart
