he is acting

he is acting outraged
doesn't see it's all staged
always thinks he's justified
impossible to mollify

she is acting so hurt
pouting adults revert
behaviors that worked well then
successful still with most men

he is acting sincere
motives really so clear
lust compels him to lie
tricks her so she'll comply

she is acting quite kind
easier to unwind
affairs dipped in honey
so disingenuous it's funny

he acts she acts
that's how the world goes 'round
truth the trampled victim
buried deep beneath the ground
she acts he acts
do they even know what's real
convinced in the veracity
of everything they feel
