HmMMM Let's see
Rain and ice
I'm in LA
That's pretty nice
Walking around
Outside in a t
Not slipping and sliding
HmMMM let's see

HmMMM lets' see
Restaurants galore
Unlike my hometown
With one little store
Last night i had 7
Varieties of bree
Too bad village pizza
HmMMM let's see

HmMMM let's see
It's sunny again
There are thousands of single
And lovely women
They're looking for guys
Who are just like me
And they'll pay for dinner
HmMMM let's see

HmMMM let's see
The desert's in bloom
And i'm not sitting
Alone in my room
Back in new hampshire
It's a negative degree
So now whatcha think
HmMMM let's see
