

668-1000
Holy moly bong

Take a toke from the holy moly bong
It'll get you even higher if you just follow along
behold the skunky greenage for the silly human throng
just take another toke from the holy moly bong

What else is there to say
What ele is there to sing
Go to church on sunday
On monday have your fling
Synagogue on Saturday
Worship and be free
Take another toke
Ain't religion so yummy
