Hope all is ok

I do
Sincerely
Hope all is ok
With you
I know
The struggle is real
I think i know
How you feel
Though I can't say
Me too
I do
Sincerely
Hope you are ok
Well enough
To enjoy
Your precious boy
Your darling son
Well enough
To feel the sun
I know
You often
Don't feel well
I can tell
And i'm sorry
You have suffered so
Not much else
For me to say
Besides
Sincerely
I hope all is ok
Now
And in your years to come
