

387-1000
Hurry

Hurry
Don't wait
Faster
Don't be late
Hurry
Times short
Maybe not
I retort
Truth is
Times a myth
Only matters
Who we're with
And as we know
As Loves concerned
timeless
Though we still yearn
So don't hurry
Try for less
Open hearted
Just confess
That even though
All feels brief
love's forever
That's a relief
