

62-1000
i asked, he nodded

when i asked if he had fallen in love with my girl
he nodded
did he care that my life was in a whirl
I prodded
had they made love behind my very back
i obsessed
how am i going to get my life on track
so depressed

you know the drill
when time stands still
help me forget
or still better yet
go back in time
to love sublime
now time so cruel
i'm such a fool

when i asked if she loved him more than me
she nodded
hadn't i been as perfect as i could be
she lauded
the hole inside me may never heal
i bled
i would give anything i had to no longer feel
i pled
