

657-1000
I didn't know we

I didn't know we
I thought we were
But now i realize
I don't know her
We were married true
But we remained two
Not one
Because
I didn't know we
I didn't try
I figured i'd know us
By and by
Over time
But in the end
I didn't know we
Even with child three
We
Remained
A mystery
