I do

I do, I know it to be true
I feel it in the air
In each moment so lovely fair

I do, And there out of the blue
A woman such as this
I'm lost in every kiss

I do, I am one of the lucky few
To have met you in this time
Listen as I set my soul to rhyme

I do, some ask me when i knew
I smile and i say
It grows stronger every day

I do
I really do

Listen to me cry out from the top of every hill
A woman with a heart of gold and an iron will
Whose children know they're cared for and whose souls she seeks to fill
Her radiance is palpable when we sit together still

Brilliant, beautiful, kind
And i find myself
each day anew
Each day, more so than the last
Each day, true
I do
I do

I love you
