

## I KNEW THEIR BODIES

Never really had much interest (Am)  
in listening to their tales (C)  
I pretended to pay attention (Dm)  
to their emotional regales (F)  
my feigned acts of empathy  
left them believing me so kind  
I only wanted to know their bodies  
I didn't care about their minds

Winning women on the left  
is always such a breeze  
their suckers for open-minded men  
their feminist trainees  
just tell em that The Second Sex  
was the last book that you bought  
I only wanted to know their bodies  
I didn't care what they thought

Women like to sleep with men  
who seem so sensitive  
here's a quite successful ploy  
that hits them where they live  
just talk about your childhood  
make your eyes well up with tears  
soon you'll be in bed with her  
the envy of your peers

Whether fighting for the right to choose  
Or defending title nine  
Men are disingenuous  
by our conquests we define  
And even the apparently  
most righteous man alive  
when it comes to getting some  
a falsehood will contrive
