I know you're kidding me

Did you see that tweet
What a treat what a treat
Another trump decree
I know youre kidding me
Todays was quite a marvel
He's really lost his mind
Where are all the marbles
I wonder that sometimes
And how about ted cruz
You'll ss out if you snooze
Do you see what i see
You must be kidding me
Power is the goal
Truth of course means nothing much
Reality exists
Some just seem so out of touch
What
What WHAT?!!
He didnt just say that did he
I know youre kidding me
