I see, you see

I see you
I see you see
Me
I see me too
Do you see you

I see you
I see you know
Me
I know me too
Do you know you

I see time
I see you counting time
Do you know time the way i do
Do you see time the way i do

I see you hear
I know you hear
Me
But do you hear
me

I see you see
I know you know
I hear you hear
But what about me
