I tried that too

I've tried everything to get to you
Don't bother asking, i've tried that too
There's nothing i can say or do
Don't bother wondering, ive tried that too

Ive tried everything to get away
Matters not what e'er i say
I suppose it will all work out someday
But for now i cannot get away

Ive' tried everything under the sun
I've tried drama, ive tried fun
But in the end no friends ive won
All i do seems to come undone

Ive tried everything and ive tried that too
My life is full of nothing new
Truth is i don't feel all that blue
Sorrow yes ive tried that too
