

987-1000  
I'll be back

Famous words  
Terminator  
I tend to say  
See you later  
I'll be back  
Is too intense  
A silly movie  
Such nonsense  
I'll be back  
Some parents say it  
But life intrudes  
And they delay it  
Why do some  
Just disappear  
I guess life's hard  
There's much we fear  
I'll be back  
I said to them  
But truth be known  
I didn't know when  
I used the words  
But who's to know  
Where the hell  
I thought to go
