

854-1000
I'll be back shortly

I'll be back shortly
You neednt worry
You neednt fret
I'll be back shortly
And then we'll have
The best time yet
I'll be back shortly
It's just another
Day or two
Before we see each other
Though the days may seem too few
I'll be back shortly
I promise you my dear
I'll be back
I'll be back
