I'll be brief

I'll be brief
my heart broke
Consumed by grief
On tears choke
there's a thief
A voice spoke
And disbelief
T'which i awoke

The thief arrives
On darkened road
In haste drives
And ne'er slowed
Not one survives
A mother showed
How a thief deprives
His will bestowed

And here we stand
We're left alone
Justice demand
yet frailty shown
Together band
Wide open blown
This strangest land
future's unknown
