

460-1000
Ill meet you there

Where are you going?
Ill meet you there
We'll grab some coffee
Ill pay my share
Maybe hold hands
If we dare

Where are you going
Time is so brief
The decades are robbers
Midnights a thief
And when comes my calling
It'll be a relief

Where are you going
My beautiful one
Flying on gossamer wings
To the sun
Just as we started
Now we are done

Where are you going
Where are you going
Where are we going
