In dependence

No
Not free
No not even close to being
Free
Not you
Not me
And no
Not free
Not even close to being free
Though
This is not as bad as you might think
We are
In
Dependence
We are
Interdependent
You and me
We need
You and me
And to be truthful
That's a very good thing
8 billion of us
We need each other
My sister
My brother
In
Dependence
