Introducing myself

Sometimes i'm tired of  
Introducing myself  
Look at me dance  
Prance around the words  
The resume  
Here i am  
My whole life  
All meaning  
In a How do you do  
In a what do you do  
What if i did nothing  
No ambition  
No fire in the belly  
Would you still shake my hand  
No  
Hello  
My name is dan
