Is this all i've got left

I'm in bed
I'm in bed
Can i hide here until i am dead
Can this persona be one i shed

I'm so blue
I'm so blue
Moments left i feel so few
And yet a whole life out there awaits me new

I won't leap
I won't leap
I have promises to keep
Though all i want to do is weep

Don't you see
Don't you see
This is not the truthful me
And yet that truth dare not decree

Whats the choice
Whats the choice
I feel as though i've lost my voice
Did i ever even have a voice

I'm in bed
I'm in bed
My heart feels like it's made of led
Don't listen to the things ive said

But i wonder
Is this all i've got left?
