It's a ruse

It's a ruse
It's a sham
It's a joke
Sam i am
Uncle sam
That's my name
I beg you not
Image defame
But truth be known
Things are rough
Democracy
Just ain't enough
We need wealth
We need yachts
We need more
We need lots
We need stuff
To make us whole
Winning is
Our favorite goal
It's a ruse
It's a sham
Just like good ole
Vietnam
Truth will out
We're not so great
So much anger
So much hate
Perhaps someday
We'll get it right
We will love
Instead of fight
For now i'll do
What i can
And quiet think
It's still a sham
