It's gonna be fun

Someone said it's gonna be fun  
We'll steal the sign and then we'll run  
Doesn't sound like fun to me  
I'd rather watch and remain free

Someone said it's gonna be great  
We'll go to the protest and register our hate  
Doesn't sound like fun at all  
Not a big fan of building a wall

Someone said it's gonna be a blast  
Just drink this whiskey and drink it fast  
Doesn't sound like fun my friend  
I'd be puking in the end

Someone said relax and enjoy  
Throw this rock, you can destroy  
Doesn't sound like fun you guys  
I want to be loved in others eyes

Someone said it's gonna be fun  
Just load and point and shoot the gun  
I'd rather go home and go to bed  
And that someone now i hear is dead
