Janie Like no other

A night like no other  
A celebration of a beautiful soul  
Drenched in rain and devotion  
Hearts are warm despite the cold

A time like no other  
Sorrow seeping, but joy still there  
We'll get through this together  
Tears and laughter we still share

A team like no other  
26 but really one  
Hold each other close  
Hearts beating stronger than the sun

A child like no other  
Radiant and full of hope  
Sparkle girl forever  
Sometimes still feels hard to cope

Janie, like no other
