Just like the rest

Am i really
Just like the rest
Are you going to
Put me to the test
I bet I'm not the worst
I'm surely not the best
But maybe i am
Just like all the rest

Am i really
Destined to be alone
Do i have that many
Sins i must atone
A narcissistic king
Abandoned on his throne
And am i really
Destined to be alone

Am i really
Out here in the dark
Wandering aimless
A landscape so very stark
A willing journeyman
Ne'er to disembark
Am i really
Alone out in the dark

Am i really
Going to take the dive
Into foreign waters
Where maybe i will thrive
But terrified
I may never arrive
Am i really
Going to take the dive
