

953-1000  
Lake george

Here's what i recall  
Fun and games for all  
Laughter and camaraderie  
Just being who i wanted to be  
Sitting on the porch and looking out at the lake  
Wandering through the day half awake  
But not asleep you see  
Just free  
So free  
Those days were long ago  
Perhaps when i go  
Back today  
I will feel the same way  
Will i  
I'll let you know  
I'll let you know
