

782-1000
Look like a rebel

Look like a rebel
Work the image work the scene
Look like a rebel
Work the image don't look clean
And nice, what's your vice
Are you mean
Do you simmer with the sheen
Of macho man
Of a violent man
Look like a rebel
If you can
Or
Don't
Don't
Peel it back
Way back
And don't look like anyone or anything at all
